Description of Work	Parts	Labor

Special Instructions

By my signature below, I acknowledge that I have inspected the vehicle and confirmed that, except as specifically listed above, all equipment or accessories purchased by me due to me are on the vehicle at the time of delivery to me and the vehicle does not have any visible damage except as specifically identified in the Special Instructions section above. If the Description of Work and Special Instructions sections are blank or otherwise indicate that nothing further is to be done to the vehicle, then I acknowledge by my signature below that no items are due to me related to the subject vehicle acquisition and there is no visible damage to the vehicle.

Any items listed above which are owed to me must be installed within thirty days from the date of delivery pursuant to an advanced appointment with the Service Department initiated by me.
