## SUMMARY

---

Personal statement Having been on the road for the past 15 years as a HGV 1 driver i am looking to settle into more stable employment. I have worked in the prison service and am fully aware of the importance of team work. I am honest and very reliable and shift work is second nature. I learn very quickly and am keen to extend my knowledge.. Meticulous , excellent at juggling multiple tasks and working under pressure. Broad industry experience includes Health and safety.
